Valerie,

I spoke to Dennis Brownell @ Arizona Complete. He said that he had faxed the invoice to you yesterday. Please note PO 8500005009 on the invoice, have it approved by someone with monetary approval for your cost center and send it to Finance-A/P. Payment should be made in 10 days. Thanks!

and....please don't ask me call Dennis Brownell again. He thinks he is quite the charmer but I didn't agree.
